What a great end to Term 2! Community Day was once again a huge success. Thank you to all parents, carers and extended families that attended the day. It was great to meet many new families and ‘catch up’ with everyone.

This term has started off with many activities occurring. Gymnastics at Hunter Sports Centre at Glendale occurs on Mondays for the Primary students and Tuesdays for the Secondary students. It is amazing to hear the feedback from staff on the success our students are having whilst trampolining.

Miss Watson’s class has started the Vocational Education program with Hunter Valley Training Company on Wednesdays. Students are also working on gaining work based skills through completing a Certificate II ‘Skills for Work and Vocational Pathways’.

Thank you to many families who have embraced the new school uniform. Our new uniform is navy/white for secondary students and navy/light blue for primary students. We are encouraging students to wear navy blue shorts/pants or black shorts/pants. If you would like to place an order please contact the school. Any families that require financial assistance with this, please give the school a call to discuss further.

On Monday 31st of August, Wakefield School will be having its first ever ‘School Photo’ Day. We have Newcastle School Portraits coming in to provide our families with the opportunity to purchase school photos. We would appreciate all students wearing the new school uniform on this day. If you require assistance with this, please contact the school. Envelopes have gone home today with this newsletter, please return to school by Friday 28/8/15.

Wakefield students have entered the Newcastle Herald School Newspaper Competition. Look out for this edition of the Wakefield Whistler inside the Newcastle Herald on Thursday 3rd September, 2015.

Over the coming weeks teachers will be in contact with all families to organize an Individual Education Plan meeting to establish and discuss learning and life goals for your child.

Wakefield School is collecting the Woolworths ‘Earn and Learn’ tokens. Thank you to those families who have been sending them in. These tokens are used to purchase student learning resources for school based activities.
Photos of learning and fun in Term 3!
